EMERGENCY ROOM

We coordinate 24/7 emergency room care throughout Texas for accident-related injuries.

CHIROPRACTIC CLINICS & PHYSICAL THERAPY

We coordinate chiropractic care and physical therapy with trusted providers conveniently located near your client's home or work.

ONE REFERRAL. COMPLETE COORDINATION.

From the initial evaluation through specialty care, we coordinate treatment every step of the way.

Important Notice: Letters of Protection (LOP)

Please note that we do not carry Letters of Protection (LOP) directly. Upon scheduling, we will advise on the proper entity to which the LOP must be addressed.

Please ensure all necessary patient and representation details are included with the referral to facilitate the process.
